COLLECTION
2023

We are always amazed by the labor of love that goes into every wedding dress design and this Fall wedding season is no exception. Yes, we followed the trends but this season we were mainly inspired by dreamy textures, delicate lace and ethereal layers that not only fit and flatter our curvy girl but highlight and accentuate her best asset – the smile she will wear on her big day! This new collection features beautiful quality fabrics, a balance of silhouettes, necklines, and unmatched details Christina Wu is known for.
